All-Terrain Vehicles (This includes 3-wheelers, 4-wheelers, side-by-sides & UTV's.)

As it's getting nice outside, the Village Board wants to remind everyone of the rules for all-terrain vehicles within the Village limits.

An ATV may be operated only between the hours of sunrise and sunset. The headlight & taillight shall be on and the vehicle **SHALL BE EQUIPPED WITH A SAFETY FLAG**. The flag should not extend less than five feet above the ground, attached to the rear of the vehicle. Such flag should be triangular in shape with an area of not less than 30 square inches and shall be Day-Glo in color.

Any person operating an ATV on a highway or village street:

- **SHALL HAVE A VALID CLASS O OPERATOR'S LICENSE** or a farm permit as provided in Neb. Stat Sec. 60-4, 126.
- Shall not operate such vehicle at a speed in excess of 30 mph or the posted speed limit, whichever is less.
- Shall have liability insurance coverage for the ATV. The person operating the ATV shall provide proof of insurance coverage to any law enforcement office requesting such proof within five days of such request.

Dog Licensing: Please get your dog licensed with the Village Clerk by May 1st. **YOU MUST RE-LICENSE YOUR DOG EVERY YEAR!** All dogs need to be licensed to avoid a fine from the Buffalo County Sheriff's Office. The licensing fee for each male dog or spay female dog is \$5.25 and for each non spay female dog is \$6.25. We also need certification that your dog is current on shots.

Set aside all scrap metal, washers, dryers, and bicycles. **DO NOT** put those items in the dumpster. Trotter Service will take old oil, filters, and batteries. There is a \$3.00 fee for car tires.
